

## Contest Judging Criteria

### *Vocal Capability & Maturity~*

Singing in tune, changing keys, wide range, is the voice comfortable, commanding and able to sustain long notes?

### *Stage Presence~*

Does the singer match the mood of the song, comfortable on stage, fluid movements, and eye contact?

### *Audience Appeal~*

Has the song captured the audience's attention, is there an even response across the audience, is the audience motivated by the song and the singer's delivery?

### *Originality-*

It appears that this contestant has carefully thought out and planned this performance i.e... Song, attire, intro, movements, finally, etc... This contestant made a "cover/copied" song their own and had an original, unique, and competitive performance.
